---

Kristen,

I'm not sure if I should still be on the SLI Lab Personnel mailing list as I was transferred from the Jamaica Plain drug lab to the Amherst drug lab. I'm just curious since I keep getting emails about trainings, power/water shutdowns, computer updates, and the like about the SLI in JP that don't affect me at all. Thank you, and I apologize if I should be on the list still.

**Subject:** Mandatory Annual Safety Training

All laboratory staff are required to attend an annual Bloodborne Pathogen Training and an annual Chemical Hygiene Training at the State Laboratory Institute. The attendance of administrative staff is up to the discretion of an employee's supervisor. If your supervisor determines that you are exempt from either training, the supervisor must send an email to Kristen Pribeck.

If you are not able to attend any of the Bloodborne Pathogen or Chemical Hygiene training dates listed below, please notify your supervisor. A makeup session will be scheduled at a later date.

**All training sessions will be held in the Auditorium**

**Monday, October 4, 2004      Bloodborne Pathogen & Chemical Hygiene      10:30 am - 12:00 noon**

**Bloodborne Pathogen & Chemical Hygiene      1:30 pm - 3:00 pm**

**Wednesday, October 6, 2004      Bloodborne Pathogen & Chemical Hygiene      10:30 am - 12:00 noon**
